

INTERNSHIP CERTIFICATE

Trujillo, January 9th, 2026

To whom it may concern,

By means of this document, Notaria Pajares Alva certifies the professional services rendered by Ms. Luzmila Trinidad Quezada Pajares in the capacity of Freelance Product Designer between November 17, 2025, and January 9, 2026.

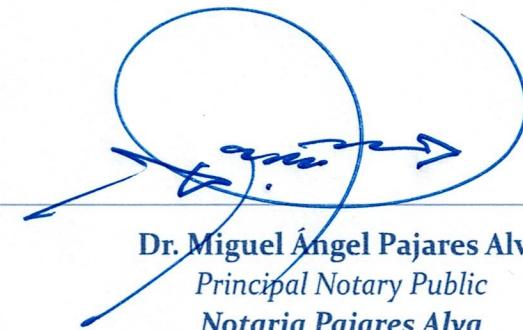

The intern was specifically tasked with the digital modernization of our institutional infrastructure. This project involved the complete migration of our legacy web systems to a custom-built architecture using React.js and Firebase. A key achievement of her tenure was the design and deployment of an automated pre-appointment system, which has substantially optimized our internal document reception and operational workflow.

Throughout the project, Ms. Quezada Pajares displayed a high degree of autonomy and technical expertise in full-stack development. Her contribution was pivotal in bridging the gap between our traditional legal services and modern digital standards.

This certificate is issued at the request of the interested party for all pertinent legal and academic purposes. Pajares for any future professional or academic endeavors.
